General Investments Risk Warning

Past performance is not necessarily a guide to future performance. Investment returns cannot be guaranteed and you may not get back the full amount you invested. The stockmarket should not be considered as a suitable place for short term investment. Levels and bases of, and reliefs from, taxation are subject to change and values depend on the circumstances of the investor.

Ethical Investments Risk Warning

Funds which are screened to meet ethical investment criteria will not invest in certain sectors or companies. The exclusion of such areas of the market may result in periods of under-performance when compared with relevant main benchmarks. For instance, if tobacco stocks are enjoying extremely strong returns an ethical investment portfolio will not participate.

Section 3: Your Specific Ethical, Environmental or Social Concerns

The following questions assess how you feel about certain areas of investment

Please select one column option for each area, to indicate whether you are:

Very Concerned: This is a business activity that you are worried about, however, you wouldn't mind investing in a company that has limited (less than 10%) exposure to this issue.

Mildly Concerned: You would invest in a company that is exposed to this issue, however you are concerned about this and would like to see active progression towards reducing the exposure.

Not Concerned: This issue does not concern you.

	Very Concerned	Mildly Concerned	Not Concerned
Tobacco production			
Alcohol production			
Gambling			
Pornography – Sale and Production			
Human rights abuses			
Animal testing – cosmetics			
Animal testing – chemicals or health			
Armaments – weapons related			
Poor environmental management			
Nuclear power			
Fossil fuels – exploration & production			

Please indicate any areas of such concern that you would like to be totally excluded from your investment portfolios:

Ethical restrictions versus investment goals

It is not always possible to find Ethical/Socially Responsible Investment funds to match everyone's personal preferences. On some occasions may not be possible to get a fund that has a total exclusion on all the areas of your concern (however, please note all funds used will encompass the Whitechurch Ethical policy). In this case, you may need to make some compromises which your adviser will discuss with you. It should also be noted that some funds used will take account of other areas which are not of concern to you.
